

# THE SEWING WORKSHOP

with Linda Lee

September 11 and 12

St Johns Sheriff's Department, 4015 Lewis Speedway Saint, Augustine, FL 32084

Linda Lee is the owner of *The Sewing Workshop Pattern Collection*, a group of patterns for distinctive garments using innovative sewing techniques. Linda writes for *Threads*, *Sew News* and *Stitch* magazines. She travels the country teaching fine sewing techniques and the art of combining beautiful fabrics and distinctive design in garment and home decorating creations. Using her background as a licensed interior designer and a member of ASID since 1974, she has written fourteen books relating to garment sewing and interiors. *Sew Sensational Pillows* won the Independent Book Award in the Craft and Hobby Category and *Sew Easy* won Honorable mention by the Independent Publisher Book Awards for Most Original Design in their "Ten Outstanding Books of the Year" awards.

Starting with making and selling felt hats in 6th grade, Linda's business ventures have followed – from a life-long career in interior design to producing avant garde sewing patterns for the adventurous sewer. One pillow-making project ultimately led to fourteen books, television appearances on HGTV, traveling and teaching the fine art of combining beautiful fabrics and innovative sewing techniques for both garments and interiors.

The Jacksonville American Sewing Guild chapter is proud to offer a 2 day program with Linda Lee of *The Sewing Workshop*. Attendees can choose the Friday morning lecture series only (up to 50 attendees), OR the full 2 day workshop which includes the hands-on construction of a blouse (limited to 25 attendees). Friday morning will be a 2-part lecture series "Great Style at Any Age" and "Quilt It or Wear It." Attendees who opt for the full program will then continue to construct a blouse Friday afternoon and all day Saturday. Please carefully read the supply list as there will not be a kit available for purchase. ASG Member pricing reflects the benefit of the Jacksonville Chapter funding one half the total cost of hosting Linda Lee, 80% of the pattern cost, and lunch on both days with the 2-day workshop registration. The Sewing Workshop products will be available on site for purchase directly from Linda Lee.

## **FRIDAY MORNING (2 part lecture only):**

- *Great Style at Any Age* - Age is nothing but a number when it comes to looking fabulous. And no one does it better than *The Sewing Workshop Pattern Collection*. From beautiful fabrics to stunning colors, this showcase of handmade garments will challenge you to rethink how you dress and what you want to sew. *The Sewing Workshop* is known for its carefree chic combinations of daring fabrics, textures and patterns in layers of drape and shape. Linda will interpret how to read the trends of the moment and fit those concepts into making real clothes for you. You will leave knowing a lot more about fabrics, where to buy the good ones, how to work with them in unique ways and how to blend them into your wardrobe, eventually building a core wardrobe of quiet confidence with the add-ons that have plenty of personality.
- *Quilt It or Wear It* - Some of the best prints live in the quilt world. So how do you take advantage of this phenomenon and use these fabrics in your everyday wardrobe and home décor, too? Come see a runway trunk show of cleverly designed clothes using today's modern quilt fabrics.

## **FRIDAY/SATURDAY (Full 2-day workshop) Please note there are class size limitations:**

The full 2-day workshop will continue after lunch on Friday and finish on Saturday. Participants will choose to make either the Cortona or Liberty blouse pattern from The Sewing Workshop collection. Friday afternoon will be the introduction to the pattern with students cutting the pattern onsite or in the evening as homework. Saturday will be a full day of sewing and fitting with Linda Lee. Depending on the participant's skill level and speed, the blouse may not be completely finished by the end of the workshop.
